REPORT OF INDEPENDENT AUDITOR

The Board of Directors
United Way of Will County

I have audited the accompanying statements of financial position of United Way of Will County (the Organization) as of June 30, 2015 and 2014 and the related statements of activities, changes in net assets, cash flows, and functional expenses for the years then ended and the accompanying notes to financial statements.

Management Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud.

Auditor Responsibility

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit includes performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a reasonable basis for an audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of Will County at June 30, 2015 and 2014, and the results of its activities and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

My audits have been made for the purpose of expressing an opinion of the basic financial statements taken as a whole. The accompanying supplemental information, as described in the table of contents, is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such supplementary information has been subjected to the procedures applied in the audit of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as whole.

Notes to Financial Statements Years Ended June 30, 2015 and 2014

1. Description of Organization

The activities of the United Way of Will County consist of collecting charitable donations under its name and distributing these donations to member agencies. In order to qualify as a member agency of the United Way of Will County, an organization must qualify as a tax-exempt organization under Section 501 (c) (3) of the Internal Revenue Code. The member agencies must also meet certain criteria established by the United Way Board of Directors as to purpose, program, trusteeship and accountability.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Organization prepares financial statements in accordance with the Financial Accounting Standards Board (FASB) standards for not-for-profit organizations (ASC 958-205 and subsections). Under these standards, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted net assets -- Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets -- Net assets subject to donor-imposed stipulations that may or will be met, whether by actions of the Organization and/or the passage of time.

Permanently restricted net assets -- Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on any related investments for general or specified purposes.

Unconditional promises to give cash or other assets are reported as either temporarily or permanently restricted net assets if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires (i.e. when a stipulated time restriction ends or the purpose of the restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction. Donor-restricted gifts are reported as temporarily restricted even if the restrictions expire during the fiscal year in which the gift was received, and then reclassified to unrestricted net assets. In the absence of donor-imposed restrictions on the use of the assets, gifts of long-lived assets are reported as unrestricted support.

Financial Instruments

The following methods and assumptions were used by the Organization in estimating its fair value disclosures for financial instruments:

Cash, cash equivalents, pledges receivable, and current liabilities - The carrying amounts reported in the Statement of Financial Position approximate fair values because of the short maturities of those instruments.

Short-term investments - The fair values of investments, which consist primarily of certificates of deposit, are valued at the face value of the instruments.

Notes to Financial Statements Years Ended June 30, 2015 and 2014

2. Summary of Significant Accounting Policies (continued)

Cash and Cash Equivalents

Cash and cash equivalents consist of checking, savings and money market accounts and short-term investments that have an original maturity of three months or less.

Property and Equipment

Property and equipment are recorded at cost. Donated items of office equipment and furnishings are recorded at fair market value at the time of the donation. Depreciation is determined using the straight-line method over the estimated useful lives of the assets (generally 5 to 7 years). Leasehold improvements are amortized over the terms of the leases or the useful lives of the assets, whichever is shorter.

Contributions

Contributions receivable are recognized upon notification of a donor's unconditional promise to give to the Organization. Unconditional promises to give that are expected to be collected in less than one year are measured at net realizable value because that amount results in a reasonable estimate of fair value in accordance with the *Contributions Received* section of the FASB ASC. The Organization receives pledges designated to specific partner agencies. It is the policy of the Organization to honor these designations.

Donated Materials and Services

The Organization receives donated services from a variety of unpaid volunteers. During the fiscal years ended June 30, 2015 and 2014, the Organization reported \$91,000 of donated services each year as in-kind donations income in the Statement of Activities and as donated labor in the Statement of Functional Expenses. During the fiscal years ended June 30, 2015 and 2014, the Organization also reported donated advertising valued at \$7,190 and \$6,440, respectively, as in-kind donations in the Statement of Activities and as Consumable Supplies in the Statement of Functional Expenses.

During the fiscal year ended June 30, 2014, the Organization received raffle prizes and golf outing supplies valued at \$5,333. This amount was reported as in-kind donations income in the Statement of Activities and as Golf Outing Expenses expense in the Statement of Functional Expenses.

Functional Allocation of Expenses

The costs of providing the various programs and supporting services have been summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Notes to Financial Statements Years Ended June 30, 2015 and 2014

2. Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions, primarily the reserve for uncollectible pledges and the useful lives of machinery and equipment, that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income taxes

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and comparable state law as a charitable organization, whereby only unrelated business income, as defined by Section 509(a)(1) of the Code is subject to federal income tax. The Organization currently has no unrelated business income. Accordingly, no provision for income taxes has been recorded. The Organization has adopted the provisions of the FASB standard on *Accounting for Uncertainty in Income Taxes* (ASC 740-10-25). The Organization does not believe there are any material uncertain tax positions and accordingly, it will not recognize a liability for unrecognized tax benefits. For the year ended June 30, 2015 and 2014, there were no interest or penalties recorded or included in its financial statements.

3. Cash and Cash Equivalents

Cash and cash equivalents consisted of the following at June 30, 2015:

Checking Money Market	Amounts Reported \$ 203,687	Bank <u>Balance</u> 220,719 319,212 539,931	
Cash and cash equivalents consisted of the following at J	une 30, 2014:		
Checking Money Market	\$ 439,720 <u>289,264</u>	471,390 289,264	

The reconciled balance may be different from the bank balance due to the existence of deposits in transit and/or outstanding checks. At various times during the fiscal years ended June 30, 2015 and 2014, the Organization had deposits at a financial institution that exceeded the insurance protection provided by the Federal Deposit Insurance Corporation.

Notes to Financial Statements Years Ended June 30, 2015 and 2014

4. Short-Term Investments

At June 30, 2015, short-term investments consisted of nineteen certificates of deposit totaling \$1,053,935. At June 30, 2014, short-term investments consisted of seventeen certificates of deposit totaling \$953,001. The investments have been made with local banks and bear interest at rates ranging from 0.05% to 1.00% in 2015 and 0.15% to 1.00% in 2014. It is the Organization's policy to make investments in a manner that provides the security of the \$250,000 of insurance protection provided by the Federal Deposit Insurance Corporation.

5. Pledges Receivable and Deferred Support

Pledges receivable consists of corporate, employee, and individual contribution commitments that are estimated to be realized primarily within the next fiscal period. The reserve for uncollectible pledges was \$120,000 at June 30, 2015 and 2014. The reserves have been established based upon historical collection experiences with the donors during the past three campaigns, adjusted for specific changes in the donor's payment patterns in the current fiscal year. These estimates may change as pledges are collected or additional information is received by management.

Deferred support at June 30, 2015 consists of payments from corporations and individuals totaling \$4,730 (\$6,390 at June 30, 2014) which will satisfy subsequent year pledge commitments or will represent sponsorships or entry fees for the golf outing to be held in the subsequent fiscal year.

6. Temporarily Restricted Net Assets

Temporarily restricted net assets consist of the following at June 30, 2015 and 2014:

	<u>2015</u>	2014

MAPP Project	68,416	72,109
Southwest Suburban Philanthropic Network	<u> 16,102</u>	16,474
	\$ 85,419	89,858

7. MAPP Project

In 2015 and prior years, the Organization received contributions from the Will County Community Foundation (\$50,000), various local hospitals and the Will County Health Department to fund the MAPP Project (Mobilizing for Action through Planning and Partnerships) which is a community-driven strategic planning process for improving community health. MAPP is not an agency-based assessment process; rather, it is an interactive process that can improve the efficiency, effectiveness, and ultimately the performance of local public health systems. Through June 30, 2015, the Organization has recognized MAPP related contributions and expenses of \$307,621 and \$239,205, respectively.

The Organization has established a defined contribution retirement plan for the benefit of the employees. All employees who are more than 21 years of age and have been employed by the Organization for more than one year with more than 1,000 hours of service are eligible to participate. Plan contributions are equal to 7% of covered payroll. Retirement plan contributions were \$19,662 and \$20,125 for the years ended June 30, 2015 and 2014, respectively.

11. Economic Dependence

Activity with 26 of these local businesses and governmental entities accounted for approximately 71% of the pledge revenue for the 2015 fiscal year.

12. Subsequent Events
