

GIVING TREE PROGRAM

Feel the good that comes from giving™ this holiday season!

Trinity Services provides residential support to 700 people with developmental disabilities and mental illness. Some of these people do not have contact with family members, and many do not have the financial means to purchase items that they want for the holidays.

When you select a name from Trinity Services' Giving Tree and purchase gifts from someone's wish list, you make that person's holiday wishes come true and help to bring them joy.

By spending just \$40, you can make a difference in someone's life. We greatly appreciate your generosity and kindness during the holiday season. We are collecting gift lists now and will distribute them to donors in early November.

Participation Guidelines

To participate, send your name, phone number and address to givingtree@trinityservices.org.

You will receive someone's wish list, along with a drop-off location nearest to you. Please spend a minimum of \$40 for item(s) indicated on the list. Please return the item(s) unwrapped or in a gift bag along with your name and the recipient's name (so we know who the items belong to) no later than Friday, December 15.

If you would like to send gifts via Amazon, please include the recipient's name and your own name on the "Gift Message" so we know who the item is for and who donated the item.

If you have any specific questions about the list or the program, email the address above, or call (815) 717-3750.

Thank you for supporting the people we serve through your participation in Trinity's Giving Tree Program.

Happy Holidays!

Your Friends at Trinity Services
